**Travel support:**

Partial travel support is available for some early stage researchers and/or scientists from a SCAR nation with an emerging Antarctic program. Early career researchers are taken to be researchers who are within 7 years of obtaining their highest degree. Add a short justification below in order to apply for funding:

**Submitting abstract to session number,**

- 1: \_\_\_ (Observations of present-day changes in glaciers, ice caps and ice sheets and the associated Earth deformation)
- 2: \_\_\_ (Measurement and Models of Elastic Rebound)
- 3: \_\_\_ (Glacial isostatic adjustment on a heterogeneous Earth)
- 4: \_\_\_ (Reconciling models and observations of GIA)

Preferred presentation type:
